Additional Materials

PLAN → *Teacher Resource* → *Graphic Organizers*

The screenshot shows a web browser window with the URL doc.achieve3000.com/teacherresources/. The page features a large red circular logo with the letters 'ABC' on the left. To the right, there is a list of resources with expandable sections:

- Supplemental activities, as the primary vocabulary activities are embedded within each lesson in your Teacher's Edition.
- + Pre-reading Activities
- + Lesson Plans

Below this, there are three main sections:

- Strategy Lessons**: Reinforce critical skills with direct instruction! The strategy lesson plans help you provide additional instruction to students on key strategies including using context clues, sequencing, cause and effect, and much more. Note that your primary source for lesson plans is the My Lessons section in the Teacher's Edition, where you will find additional information to support direct instruction, such as the Teacher Recommendations and the Curriculum Key. Below the text is a lightbulb icon and a button labeled "+ Strategy Lessons".
- Graphic Organizers**: Support students in organizing ideas and communicating more effectively! In addition to the graphic organizer linked to each lesson, you can use these additional graphic organizers to help students understand the specific criteria needed to achieve the best score. Each resource is available in PDF as well as Microsoft Word formats. Below the text is a circular flow diagram icon and buttons for "+ General Graphic Organizers" and "+ Bell Graphic Organizers".

The Windows taskbar at the bottom shows icons for Microsoft Office Home, Mail, Outlook, Achieve3000: Home, and Achieve3000 Teacher Resources. The system tray on the right shows the time as 8:09.

From the Student Perspective

Go to “MY LESSONS”

Student is caught up and has completed the 5 step process for each article.

The screenshot shows a web browser window with the URL `portal.achieve3000.com/my_lessons`. The page title is "My Lessons". A navigation bar at the top includes a "Lesson Progress" dropdown menu and a progress indicator showing steps 1 through 6. The main content is a table of lessons, each with a start/end date, a lesson title and description, a topic, and a progress grid for five steps. All lessons shown have completed progress for all five steps, indicated by blue circles.

Classroom connections

Friday Fish Bowl Discussion

Inner Fishbowl

- Listen while others are talking.
- Do not speak when someone else is talking.
- Raise your hand when you have an idea to share.
- Answer questions in complete sentences.

Outer Fishbowl

- Listen quietly while students in the Inner Fishbowl are talking.
- Keep your eyes on both the teacher and the student who is talking.
- Take written notes on what you hear or observe.
- Be prepared to share your observations with the class
